

IMPORTANT NOTICE RE: ASYMPTOMATIC TESTING FOR ADSB FAMILIES

April 9, 2021

School board personnel have been working with the Ministry of Education and its testing partners to continue to offer voluntary asymptomatic testing for staff and students, through a variety of testing approaches, to stop the spread of COVID-19 and to support the safe return to in-person learning after the break. Please note the following information regarding access to COVID-19 testing, both during and after the upcoming April break:

1. Assessment Centres

- **For the week of April 12-18 only**, students and staff will also be able to access asymptomatic testing at local assessment centres.
- Children attending childcare located within schools, and childcare staff, will also be eligible to access this testing.
- This testing is only being offered to students, children and staff from April 12-18.
- To book an appointment, visit the [Covid-19 Testing Locations website](#), and select “assessment centre” as your location type, with the booking details requested

2. Asymptomatic Testing Expansion at Pharmacies

The following pharmacies are providing testing for staff and students in the communities indicated, even **beyond spring break**:

Pharmacy	Address	Telephone
Shoppers Drug Mart	44 Great Northern Rd, SSM	705-949-2143
Shoppers Drug Mart	364 Second Line West, SSM	705-945-1215
Shoppers Drug Mart	220 Ontario St, Elliot Lake	705-848-7125
